Certified Asset Management Assessor

Code: FA28 From: 24 - 28 February 2025 City: Amsterdam (Netherlands) Fees: 4200 Pound

Introduction

The Certified Asset Management Assessor course is a comprehensive program designed to equip participants with the knowledge and skills necessary to become certified assessors in asset management. This course provides a deep understanding of asset management principles, best practices, and international standards. Participants will learn how to assess and evaluate asset management systems, identify improvement opportunities, and support organizations in achieving excellence in managing their assets effectively.

Objectives

- Understand the fundamental concepts and principles of asset management.
- Gain knowledge of international standards and frameworks for asset management.
- Develop skills to assess and evaluate asset management systems.
- Learn techniques for identifying improvement opportunities in asset management practices.
- Acquire knowledge of risk management strategies in asset management.
- Understand the role of leadership and organizational culture in asset management excellence.
- Prepare for the Certified Asset Management Assessor certification exam.

Course Outlines

Day 1
