Event and Festival Planning: A Strategic Course for Modern Professionals

Event and Festival Planning: A Strategic Course for Modern Professionals

Introduction

Planning large-scale events and festivals is no longer a logistical task only—it is a strategic function that integrates marketing, risk management, finance, public engagement, and innovation. This course in Event and Festival Planning is tailored for professionals in the MENA region who seek to elevate their capabilities in planning, managing, and executing high-impact events. Whether in government entities, telecoms, banks, oil & gas, HR, or marketing, this training supports emerging and senior professionals aiming to refine their executional and leadership edge.
Participants will gain practical tools to manage operations, design creative concepts, assess risks, and ensure audience engagement—essential for driving value through every stage of event development.

Course Objectives

By the end of this course, participants will be able to:

- Understand core principles of event and festival planning.
- Design structured workflows for event execution.
- Manage stakeholder expectations and vendor contracts.
- Apply tools for audience targeting and engagement.
- Develop risk management and contingency planning strategies.
- Align event goals with strategic business outcomes.
- Analyze post-event performance and ROI metrics.
- Implement industry best practices for compliance, safety, and sustainability.
