Innovative Leadership Competencies

Ref: 321563_127798 **Date:** 14 – 18 March 2027 **Location:** Tunis (Tunisia) **Fees:** 4200 GBP

Introduction

Banks need officials with strong leadership and managerial skills to effectively run their branches and departments, achieving the ultimate goals of the institution. There is also an increasing need for banks to emphasize soft skills such as leadership, team building, and motivation for their senior employees.

This program aims to provide you with the latest leadership competencies so that you can significantly enhance your leadership skills. The course will focus on inspiring and empowering individuals to handle a wide range of leadership situations, fostering innovative approaches in managing teams and driving success.

Course Objectives

By the end of this course, participants will gain the following leadership competencies:

- Understand and Apply Innovative Leadership: Learn the definition and practical implementation of innovative leadership to motivate and inspire teams.
- Self-Analysis of Leadership Styles: Gain insights into your strengths, weaknesses, and leadership style to foster self-awareness and growth.
- Develop Emotional Competencies: Focus on resilience, creativity, intentionality, and interpersonal skills to become a more effective leader.
- Master Key People Skills: Develop and enhance interpersonal relationships through effective communication and conflict resolution techniques.
- Achieve Success in the Workplace: Learn how to apply people skills to build a productive and positive workplace environment.
- Implement Innovative Leadership Strategies: Use innovative leadership strategies to overcome challenges and improve team performance.

Course Outlines

Day 1: Explore Best Practices in Bank Leadership

- Setting clear objectives and creating a compelling vision for the team.
- Formulating winning strategies for the banking industry.
- Optimally allocating resources to maximize performance.
