Media Strategic Planning training course

Ref: 3254492_158727 **Date:** 18 – 22 January 2027 **Location:** Milan (Italy) **Fees:** 5200 GBP

Introduction

The "Media Planning Courses in Multicultural and International Contexts" course is a dynamic five-day program designed to empower professionals with the skills and insights required to excel in strategic media planning for international organizations. This course covers both digital media strategic planning and traditional media strategies, providing participants with the tools to create impactful media strategic plans and manage media campaigns across diverse platforms. With a focus on media relations, media training, and crisis management, this course ensures that participants can effectively convey messages to targeted global audiences while optimizing campaign results.

Course Objectives

By the end of this strategic planning training workshop, participants will:

- Understand Media Planning Principles: Gain a solid foundation in the principles of strategic media planning and media relations.
- Master Digital and Traditional Strategies: Learn to integrate digital media strategic planning with traditional media for comprehensive media solutions.
- Set Clear Objectives: Define measurable goals, establish Key Performance Indicators KPIs, and tailor media strategies to organizational needs.
- Optimize Performance: Utilize media performance analysis tools to monitor and improve campaigns continuously.
- Plan for Crises: Develop proactive crisis management strategies and simulate scenarios to prepare for unexpected challenges.
- Achieve Certification: Complete this course to earn a Media Planning Certification, validating your expertise in creating and executing impactful media strategic plans.

Course Outlines

Day 1: Introduction to Strategic Media Planning Courses

- Overview of what media is and its role in international organizations.
- Understanding media definition and the key principles of strategic media planning.
- Reviewing media planning processes and tools to analyze the current media landscape.
- Case studies on successful media strategies in diverse international contexts.
