Introduction

This course is ideal for individuals looking to enhance their skills in marketing, sales, and customer service. It aims to provide a comprehensive examination of the core components of the market, the role of marketing, sales, and customer service in achieving organizational success, as well as analyzing consumer behavior. The course will cover best marketing practices and offer advanced strategies and techniques in sales and customer service to improve performance and meet organizational goals. The focus will be on designing and implementing effective marketing plans based on the latest strategies in marketing and sales within today's business environment.

Course Objectives

By the end of this course, participants will be able to:

- Define customer service and explain its essential dimensions in managing customer relationships.
- Measure customer satisfaction and loyalty using systematic and effective methods, and provide strategies for their improvement.
- Develop effective sales strategies focusing on professional sales behaviors and techniques to increase performance.
- Integrate best marketing practices to create comprehensive marketing strategies that support the organization's objectives.
- Apply advanced marketing strategies and market analysis to gain sustainable competitive advantages.
- Build and evaluate marketing, sales, and customer service plans based on the latest tools and approved models.

Course Outlines

Day 1: Customer Service

- Introduction to customer service: defining customer service and its essential dimensions.
- Strategies to meet customer needs.
- Measuring customer satisfaction through quality standards.
- Achieving excellence in customer service.

A graphic featuring the text 'UK Training' in a small, black sans-serif font above the word 'PARTNER' in a large, bold, black sans-serif font. The text is positioned over a background of concentric white circles and a chessboard pattern. In the foreground, there are three chess pieces: a gold king, a silver pawn, and a silver knight, all on a black and white checkered surface.
