

Agile Certified Practitioner (ACP)

UK Training

PARTNER

Agile Certified Practitioner (ACP)

Introduction

The Agile Certified Practitioner ACP course is a comprehensive training program designed to provide participants with a deep understanding of Agile methodologies and practices. Over five days, this course offers a modern introduction to Agile concepts, focusing on practical implementation strategies and real-world case studies. Participants will gain the knowledge and skills needed to effectively lead Agile projects and drive organizational agility.

By understanding what is an Agile Certified Practitioner, participants will be equipped to leverage Agile principles in their organizations, enhancing collaboration, improving project delivery, and fostering innovation.

Course Objectives

By the end of this Agile Certified Practitioner training, participants will:

- Understand Agile Principles: Gain a thorough understanding of the core values and principles of Agile.
- Apply Agile Frameworks: Learn how to implement Agile frameworks such as Scrum and Kanban in project management.
- Develop Planning Techniques: Acquire skills in Agile planning, estimation, and tracking methods.
- Facilitate Agile Ceremonies: Learn how to conduct daily stand-ups, sprint planning sessions, and retrospectives effectively.
- Enhance Collaboration: Understand the role of the Agile Certified Practitioner in fostering communication within cross-functional teams.
- Explore Advanced Strategies: Discover how to scale Agile practices and manage distributed teams.
- Manage Stakeholder Expectations: Learn strategies to ensure customer satisfaction in an Agile environment.
- Lead and Coach Teams: Gain insights into Agile leadership and coaching, including servant leadership and promoting self-organizing teams.
- Continuous Improvement: Discover techniques for optimizing Agile processes through continuous improvement.
- Prepare for the Exam: Get ready for the PMI Agile Certified Practitioner ACP exam administered by the Project Management Institute PMI.
