Conflict Resolution & Negotiation Skills

Introduction

Effective conflict resolution and negotiation skills are vital for organizations that aim to foster collaboration, maintain strong professional relationships, and achieve sustainable results.

While many believe that resolving conflicts or negotiating effectively comes naturally, experience shows that unmanaged disputes and poor negotiation often result in lost opportunities, strained relationships, and reduced performance.

This training course equips participants with structured approaches, proven strategies, and practical tools to manage conflicts constructively and negotiate successfully.

Through real-life case studies, practical simulations, and interactive discussions, participants will develop the ability to analyze conflict dynamics, build understanding among stakeholders, and reach win-win agreements that enhance team performance and organizational effectiveness.

Participants will learn how to identify the root causes of conflict, manage difficult interactions, and apply communication and negotiation techniques that lead to cooperation and lasting solutions.

Course Objectives

By the end of this course, participants will be able to:

- Identify and analyze the key sources of conflict in the workplace.
- Apply structured frameworks for conflict resolution and effective negotiation.
- Communicate clearly and assertively to influence and manage outcomes.
- Recognize personal conflict-handling and negotiation styles and adapt to different situations.
- Build strong, trust-based relationships across teams and departments.
