# Strategic Change, Risk Management & Leadership – Intensive Program

## Introduction

In a business environment defined by rapid change and constant uncertainty, adaptability has become a critical capability rather than a competitive advantage. Organizations that successfully align Change Management, Leadership, and Risk Management are far better equipped to navigate complexity, maintain stakeholder trust, and achieve long-term sustainability.

This intensive 5-day program provides a practical and integrated approach to mastering these three essential disciplines. It is designed to equip professionals with proven tools, structured frameworks, and real-world insights to effectively lead transformation initiatives, manage uncertainty, and build a resilient, change-ready, and risk-aware organizational culture. The program bridges theory with application, ensuring participants can confidently apply what they learn in dynamic business environments.

## Course Objectives

By the end of this program, participants will be able to:

- Understand the dynamics and psychology of organizational change
- Apply effective Leadership strategies to drive and sustain change initiatives
- Communicate clearly with stakeholders and manage resistance to change
- Utilize global Risk Management frameworks such as ISO 31000, COSO, and PMBOK
- Identify, assess, and analyze risks using structured methodologies
- Develop and promote a strong risk-aware culture within organizations
- Strengthen decision-making in uncertain environments
- Integrate Change Management, Leadership, and Risk Management into a unified strategic approach

## Course Outlines

### Day 1: Foundations of Change, Leadership & Risk Management

- Introduction to Change Management, Leadership, and Risk Management
- Types and drivers of organizational change
- The role of Leadership in driving transformation
- Understanding the relationship between change, risk, and uncertainty
- Core Concepts of Risk Management
- Internal and external influencing factors

### Day 2: Change Management Frameworks & Leadership Skills

- Overview of key Change Management models Kotter, Lewin, ADKAR
- Stakeholder analysis and engagement strategies
- Change impact assessment techniques
- Developing transformational Leadership skills
- Emotional intelligence in leading change
- Vision setting and influencing teams effectively

### Day 3: Communication, Resistance & Risk Identification

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a pawn) positioned on it. The text 'UK Training PARTNER' is overlaid on the image.

UK Training  
**PARTNER**

- Effective communication strategies during organizational change
- Managing resistance and overcoming barriers
- Building trust and organizational credibility
- Identifying types of risks: strategic, operational, financial, and compliance risks
