Frontline Mastery: Essential Customer Service Skills

Ref: 3254941_326570 **Date:** 8 – 12 February 2027 **Location:** Barcelona (Spain) **Fees:** 5200 GBP

Introduction

In today's high-stakes business environment, customer service has evolved from a support function to a critical strategic pillar. The Frontline Mastery: Essential Customer Service Skills course offers a comprehensive and practical framework tailored for professionals and leaders seeking to strengthen their service delivery capabilities.

This program is crafted for executives, team leaders, and professionals at all career stages across public and private institutions in the Middle East and North Africa. It is particularly valuable to sectors such as banking, oil and gas, telecommunications, government, human resources, project management, marketing, and sales.

Whether you're aiming to improve customer loyalty, align service strategies with organizational goals, or address recurring service challenges, this course equips you with actionable skills and tools to deliver exceptional service experiences consistently.

Course Objectives

- Understand the core principles of high-impact customer service.
- Apply effective communication tools with internal and external clients.
- Analyze real-world customer service scenarios.
- Build lasting relationships based on trust and responsiveness.
- Professionally manage objections and complaints.
- Enhance the institutional image through frontline interactions.
- Use performance metrics to measure client satisfaction.
- Integrate service excellence into organizational culture.

Course Outlines
