## CIPP: Certified International Procurement Professional

Code: SC28 From: 30 December 2024 - 3 January 2025 City: Düsseldorf (Germany) Fees: 4200 Pound

### Introduction

Accredited by the International Purchasing & Supply Chain Management Institute Delaware, USA, this certification program is geared to introduce the participants to the concepts of international procurement as they apply to international supply chain management.

The CIPP program is a core certification program of IPSCMI which offers the designation of Certified International Procurement Professional Level I to candidates who demonstrate their understanding of the fundamentals of the profession through successful completion of rigorous professional certification examinations based upon the International Purchasing Body Of Knowledge IPBOK.

Basic documentation, including contracts, used in international procurement; legal, political, and organizational considerations; cultural issues within the negotiation process; and government regulations affecting the import/export process.

### Course Objectives of CIPP: Certified International Procurement Professional

- Learn and implement Best in Class Procurement techniques.
- Learn and implement Modern Trends in Supply Chain Management.
- Improve the process of selecting, developing, and managing the Supplier.
- Master of the Contract Management process in Procurement.
- Use the designation CIPP on your business card and resume.
