## Advanced Tendering Procedures & Bid Evaluation

Code: SC28 From: 29 June - 3 July 2026 City: Prague (Czech) Fees: 4400 Pound

### Introduction

This training course will examine all the inputs that influence and directly impact tendering procedures and bid evaluation. Key elements include understanding business needs, market analysis, supply chain cost modeling, contracting strategy, and contract award up to and including contract initiation. The course introduces a methodology for classifying 3rd party goods or services into categories based on supply risk and spend value. Then, a methodology is introduced to assign the best-fit market approach to a particular category or its sub-category. All of this will lead to optimal tendering procedures and effective bid evaluation.

By the end of the course, participants will have gained the necessary skills to manage competitive bidding processes and perform accurate bid analysis for selecting the best offer.

### Course Objectives

By the end of this training course, participants will be able to:

- Classify 3rd party goods and services based on supply risk and spend value.
- Understand the procurement strategy options available for a given opportunity.
- Plan and manage a competitive tender process from start to finish.
- Create an appropriate evaluation methodology for bids and tenders.
- Evaluate vendor proposals from both a technical and commercial perspective.
- Prepare for and conduct professional negotiations with suppliers.
