Board Members & Corporate Directors Certification Program

Code: CT28 From: 30 June - 4 July 2025 City: Rome (Italy) Fees: 4700 Pound

Introduction

The role of the Board in the strategic management of the company, the CEO hiring process and evaluation of his/her performance, succession planning process and procedures for key positions, and equip directors with tools to help them exercise reasonable and informed oversight over the financial performance of the company.

This programme is about the principles of and best practices in corporate governance along with the applicable tools on how to instill good governance. The foundation of the whole program and it presents an introduction to the role of the board of directors and the importance of good corporate governance.

Important note; Site-visit will be offered to the Municipality or major company of the relevant sector in London or Istanbul.

Course Overview of Board Members & Corporate Directors

Good corporate governance helps companies improve performance, increase access to finance, and foster sustained growth. The program will focus on the unique corporate governance challenges that businesses face and present structures and practices that can mitigate these challenges and ensure the viability of the business. It goes beyond basic theories and provides concise and practical tools of essential business governance dimensions that can be implemented.

You will go through the principles of corporate governance and train them on the board's role in information disclosure and transparency, the concept of Enterprise Risk Management ERM, the role and importance of internal/external audit, and how to establish the proper control procedures.

You will also discuss the principles of corporate governance and train them on the board's role in protecting the rights of shareholders, how to detect and approve related party transactions to protect shareholder rights and minimize the risk of having such transactions appealed, and to provide directors with practical advice on how to set a model dividend policy, prepare for and conduct the annual shareholders meeting, and resolving corporate conflicts.

Course Objectives of Board Members & Corporate Directors

- Become a Certified Board Member
