## The Advanced Skills for Project Managers

Code: PM28 From: 22 - 26 June 2025 City: Istanbul (Turkey) Fees: 3900 Pound

### Introduction

The overall aim of this course is to provide participants with the necessary skills required to plan their projects by creating project scope statements and project work breakdown structures. Additionally, participants will learn how to develop key performance indicators for monitoring and controlling their project schedule and budget. The course also aims at assisting participants in appraising the feasibility of their projects by applying capital budgeting techniques. Finally, the course will cover how to effectively plan project stakeholders' engagement and manage their expectations.

### Course Objectives of The Advanced Skills for Project Managers

- Plan projects using the statement of work and Work Breakdown Structure WBS.
- Schedule project activities and build the project network model.
- Calculate project budgets and schedule variances using Earned Value EV techniques.
- Select the right projects using capital budgeting techniques.
- Relate to project stakeholders through better negotiation and communication skills.
