## The Essentials of Secretary Skills

Code: SA32 From: 2 - 6 November 2026 City: Casablanca (Morocco) Fees: 4200 Pound

### Introduction

Training for secretary skills is essential to the success of any organization, playing a critical role in organizing and coordinating daily operations to ensure a smooth workflow. The course "The Essentials of Secretary Skills" is designed to equip participants with the core knowledge and skills needed to perform secretarial tasks efficiently. This course covers appointment scheduling, document management, professional communication skills, and the use of modern technological tools. The goal is to enable participants to perform their duties with high efficiency, contributing to organizational goals and enhancing the work environment.

### Course Objectives

By the end of this course, participants will be able to:

- Define and understand the role of the office manager and administrator.
- Implement verbal and written communication strategies to effectively carry out responsibilities.
- Develop a service-oriented mindset aimed at serving both internal and external customers.
- Identify the main causes of stress and apply techniques to control it.
- Apply time management techniques to improve office productivity.
- Organize meetings effectively.
- Handle telephone calls properly and professionally.

### Course Outlines

#### Day 1: The Role of the Office Manager and Administrator

- Perception vs. Reality: Understanding the difference between the perception of a secretary and the reality of the role.
- The 3Ds of Successful Administrators: How to stand out and be dramatically and demonstrably different.
- Key Competencies for Success: Identifying the essential skills required to thrive in a secretary or office manager role.
- What It Takes to Be a "Star" at Work: Traits that make an excellent secretary or office administrator.
- Identifying Your Role: How to assess and define your responsibilities within the organization.

#### Day 2: Effective Verbal and Written Communication Skills

- Improving Credibility and Gaining Recognition: How to build trust and credibility in the workplace.
- The Importance of a Positive Attitude: Developing a mindset that enhances professional relationships.
- Being Assertive: How to express your opinions confidently while remaining professional.
- Selling Your Ideas: Persuading your boss, colleagues, subordinates, and clients effectively.
- Preparing a Professional Presentation: Key techniques for creating and delivering impactful presentations.
- What Constitutes Professional Business Writing: Best practices for writing professional emails, reports, and other documents.

The logo is positioned on a chessboard background with several chess pieces (a king, a queen, a rook, and a pawn) visible in the foreground.

- Style and Layout: Understanding the importance of clear and well-structured communication.
- Serving the Internal and External Customer: How to address the needs of both internal team members and external clients.

### Day 3: Stress Management Techniques

- Causes and Symptoms of Stress: Identifying sources of stress and their impact on performance.
- How Stress Affects Performance: Understanding the negative effects of stress on productivity.
- Formulating a Comprehensive Stress Management Plan: Effective strategies to reduce stress in the workplace.
- Managing Time:
  - Identifying and eliminating time wasters.
  - Setting goals and priorities to increase efficiency.
  - Using tools to control and improve effectiveness.
  - Planning and managing time for yourself and others.
- Preparing Time Logs: How to analyze your time management practices and improve them.

### Day 4: Organizing Meetings

- Elements of an Effective Meeting: Understanding the key components for productive meetings.
- Preparing the Agenda: How to create a structured meeting agenda that ensures efficiency.
- Dealing with Time Wasters: How to avoid common pitfalls that waste time in meetings.
- Taking Minutes of Meetings: Best practices for documenting meeting discussions and decisions.
- Responsibilities of Meeting Leaders and Participants: Knowing what is expected from both meeting facilitators and attendees.

### Day 5: Using the Telephone Professionally

- Professional Telephone Behavior: The do's and don'ts of handling phone calls in a business setting.
- Rules for Good Listening: Developing active listening skills for effective communication.
- Steps in Professional Call Handling: How to handle incoming calls with professionalism and clarity.
- Dealing with Difficult Callers: Techniques for Managing Challenging Phone Conversations.
- Identifying Common Phone Problems and Solutions: How to troubleshoot and resolve common telephone communication issues.
