## Advanced New Manager and Leadership Techniques

Code: LM28 From: 11 - 15 August 2025 City: Malaga (Spain) Fees: 4400 Pound

### Introduction

In today's complex work environment, becoming a new executive manager/leader demands new skills and approaches to getting things done. New executive managers must learn how to lead, motivate, and accomplish tasks effectively and efficiently through others.

By attending this course, you will learn how to lead by using the situational leadership model which will take you through the paces of motivation, delegation, and decision-making. You will also learn how to stay focused; and how to be on track with your goals and objectives using effective time and stress management tools and techniques.

### Course Objectives of Advanced Strategies of New Manager / Leader

- Set up your new executive role to master Executive Coaching, Strategy, and Leadership.
- Define the importance of their role as a new level of manager/leader.
- Apply different leadership styles to lead and motivate their employees successfully.
- Empower employees through motivation and delegation.
- Create and manage winning teams.
- Manage self, time, and stress in a restless work environment.
- Apply new tools and techniques to improve problem-solving and decision-making.
