Enhancing the Skills of Supervisory leadership

Code: LM28 From: 23 - 27 March 2026 City: Toronto (Canada) Fees: 4700 Pound

Introduction

Effective supervisory leadership is the foundation of strong organizations. This dynamic and interactive training program is designed to transform participants into confident, credible, and capable supervisors. By focusing on essential supervisory skills, you will learn how to manage yourself, your workload, and your team more effectively. The course highlights the importance of time management, task prioritization, and planning to increase efficiency, while also emphasizing team management, communication skills, and staff development as core competencies of successful supervisors. Participants will also explore how different leadership styles affect team performance and how emotional intelligence contributes to creating a positive and productive workplace. Ultimately, this program equips you with the character, discipline, and techniques not just to survive but to excel as a supervisor.

Course Objectives

By the end of this program, participants will be able to:

- Organize workload through effective planning, prioritization, and time management techniques.
- Support team output through teamwork, delegation, coaching, motivation, and staff development strategies.
- Apply advanced communication skills to interact clearly, concisely, and consistently with all levels of the organization.
- Examine different leadership styles, assess strengths and weaknesses, and understand their impact on team performance.
- Manage emotions, stress, and mindset effectively using emotional intelligence to achieve success and maintain work-life balance.
- Implement effective performance management systems to monitor progress and achieve organizational goals.

Course Outlines

Day 1: Setting the Direction and Supervisory Role

- Roles, behaviors, and attitudes of successful supervisors.
- Clarifying the team's purpose, vision, mission, and values.
- Providing high-quality customer service.
- Leadership practices that inspire and engage teams.
- Encouraging input and participation from staff.
- Common supervisory mistakes and how to avoid them.

Day 2: Planning and Organizing Workload

- Taking control of time and tasks.
- Planning, prioritizing, and scheduling effectively.
- Managing interruptions, accessibility, and multiple deadlines.
