MBA in Finance & Accounting

Code: FA28 From: 2 - 13 March 2025 City: Cairo (Egypt) Fees: 6000 Pound

Introduction

The Finance and Accounting MBA is an intensive 10-day programme designed to sharpen your management skills and focus on current best practices in finance and accounting. Finance is a core process/function in a business that requires executive attention. Accounting is the language of business; understanding and applying this language to your business, in general, remains the single most valuable competence of management. Prepare yourself by enhancing your personal competence in identifying best practices in finance and accounting.

Course Objectives of MBA in Finance & Accounting

- Manage and motivate people more effectively
- Understand and effectively utilize strategic planning techniques
- Use the Baldrige performance criteria as a standard of excellence and benchmark for your organisation
- Focus on real companies and their finance function and accounting processes to show participants which elements have achieved best practices status
- Remove much of the mystique associated with the management of finance and accounting
- Focus on challenging yourself to become the strategic financial leader of the organisation
- Prepare yourself for future responsibilities by examining best practices in these important functions/processes

MBA in Finance & Accounting Course Outlines

Day 1

Getting started with best practices in finance and accounting

- The role of financial management - CFO, Treasurer, and Controller
