Analytical and Critical Thinking Skills

Code: PS28 From: 13 - 17 April 2025 City: Manama (Bahrain) Fees: 3700 Pound

Introduction

We encounter lots of incidents every day at home or at work in which we need to think deeply about our decisions. Making the right choice not only saves time but also saves money and makes everyone happy. In this course, participants will learn how to refine their intuitions in order to make them trustable. Critical thinking and analysis will be a practice and habit for them and they will find themselves subconsciously using them. They will learn how to make sensible conclusions out of the data they managed to gather.

Course objectives

- Investigating data and making conclusions.
- Making analytical thinking a habit of mind.
- Correlating things logically.
- Learning the techniques of analytical and critical thinking.
