Advanced Strategies in Marketing & Research

Code: CC28 From: 30 December 2024 - 3 January 2025 City: Los Angeles (USA) Fees: 5700 Pound

Introduction

With competition increasing every day and the mounting pressures that characterize tough economic times, you need proven marketing techniques to generate demand for your products and services. The Certified Marketing Professional training course offers a variety of important marketing concepts that will give you solid knowledge about conventional marketing topics such as marketing planning, marketing audit, marketing communications, and marketing research. It is a must for professionals who would like to explore marketing arenas for the first time or wish to refresh their marketing know-how.

Course Objectives of Advanced Strategies in Marketing & Research

- Define the marketing framework of a business organization
- Conduct marketing audits and analysis to better examine the micro and macro environments
- Combine best practices, tools, and models to implement an effective marketing and sales management system
- Develop strategies, initiatives, and programs to build and sustain a competitive market advantage
- Apply planning and the execution of advanced marketing strategies to enhance organizational results
