Dynamics of Compensation & Benefits

code: HR28 From: 21 - 25 July 2024 Venue: Istanbul (Turkey) - CVK Park Bosphorus Hotel Istanbul Fees: 3900 Pound

Introduction

Compensation and benefits' is the part of human resources that works behind the scenes. It is usually the specialization in human resources that professionals in the field typically avoid for its seemingly complex nature and dependency on mathematics. By attending this course, you will change your mind about this HR specialty. You will learn an approach that is easy to understand and which explains the specifics of compensation and benefits. This approach will also help you in applying the principles of compensation and benefits practically at work.

Course Objectives of Compensation & Benefits

- Define and demonstrate an understanding of the importance of compensation to the overall aims of human resources management
- Design a comprehensive compensation system
- List the benefits of job evaluation and choose an appropriate system for own organization
- Assess and provide advice on regional compensation practices
- Recite the principal steps in a compensation survey and answer questions relating to the criticality of job matching to the success of any compensation survey
