## Professional presentation design

Code: PS28 From: 29 September - 3 October 2025 City: Munich (Germany) Fees: 4400 Pound

### Introduction

In this course, participants will learn the differences between various communication styles and develop a Win-Win mindset to become effective in any situation. By using the four pillars of communication, participants will gain the skills to determine the outcomes they want from any situation through influencing and persuasion. They will also build rapport, track their progress, and remain flexible to adapt to changes. Additionally, participants will identify common communication failures and learn practical solutions to resolve them.

Being an effective communicator and influencer also requires confidence and professionalism when presenting. In this course, participants will receive live coaching on their presentation style, learning best practices for using their voice, body movements, and word choice. Through repetition, they will gradually build their confidence. The course will also teach participants how to structure a well-organized presentation and interact professionally with visual aids like PowerPoint.
