Code: HR28 From: 26 - 30 May 2025 City: Los Angeles (USA) Fees: 5700 Pound

Introduction

People's issues are clearly now dominant on the business agenda, but as these issues become more important to business leaders, there is increasing tension between the needs of the company and HR's ability to deliver. The rallying cry for HR practitioners for decades has been twofold: "HR must be at the Executive table" and "HR must be more strategic". And yet many HR departments are still struggling to achieve both of these aims. Why is that? How did it come to this? Why are many HR departments still struggling to be recognized and contribute? The answers to these questions can be found in this course!
