MasterClass in Governance & Corporate Affairs

Ref: 321591_133545 **Date:** 29 November – 3 December 2026 **Location:** Istanbul (Turkey) **Fees:** 4900 GBP

Introduction

The Corporate Affairs and Governance Masterclass provides a deep dive into the essential roles and responsibilities of the Corporate Affairs function, focusing on its pivotal involvement in Governance processes across organizations. This training course explores global best practices, including Leadership in Corporate Governance, Compliance Management, and Integrated Risk Management ERM frameworks. Participants will gain insight into international Corporate Governance standards, including the King IV Report on Corporate Governance, and how governance is measured and benchmarked.

This program is tailored for executives, governance leaders, and professionals in Corporate Affairs seeking to strengthen their skills in reputation management, compliance, risk management, and organizational transparency.

Course Objectives

- Master the diverse roles and responsibilities of the Corporate Affairs function.
- Understand the critical involvement of Corporate Affairs in various governance processes.
- Explore a generic governance model based on universal principles adaptable to any organization.
- Gain in-depth knowledge of the GRC perspective Governance, Risk, and Compliance and its application.
- Learn how to design and implement an effective compliance program.
- Understand the Risk Management Framework and its processes, including Enterprise Risk Management ERM.
- Analyze governance assurance and control mechanisms, including the Three Lines of Defense model.
- Learn about the King IV Corporate Governance standard and its guiding principles.
- Understand the role of Corporate Affairs in governance disclosure and reporting.
