# The Complete Programme of Health & Safety Management & Measurement

Code: HS28 From: 25 - 29 November 2024 City: London (UK) Fees: 5100 Pound

## Introduction

Who is responsible for health and safety in your organization? Who should be held accountable to meet legal obligations in safety requirements? Through this course, it will be apparent that workplace safety is the responsibility of everyone in the organization. Moreover, a thorough review of common hazards, as well as root causes of accidents and incidents, will allow participants to be armed with various tools to help them create, follow, and more importantly, implement the standards of health and safety.

## Course Objectives of Health & Safety Management & Measurement

- Identify the sources of harmful acts.
- Explain how safety is everybody's responsibility.
- Recognize that accidental injuries are caused by unsafe acts, behaviors, and conditions.
- Prepare a job safety analysis and give job safety instructions.
- Conduct an accident investigation and complete a meaningful accident report.
- Respond to various work accidents and emergencies.
- Plan and conduct a safety audit.

## Course Outline of Health & Safety Management & Measurement

### Day 1
