## Customer Management Strategies (Awareness, Acquisition & Retention)

Code: CC28 From: 28 April - 2 May 2025 City: Madrid (Spain) Fees: 4200 Pound

### Introduction

Good customer service can be considered as a big differentiator between firms. While competing products are often similar and can anyway be easily duplicated, good customer service is a holistic system, requiring a sustained organization-wide effort, driven by the top and permeating all aspects of the organisation's culture. The resulting customer-centric organization becomes a formidable competitor whose model cannot be easily copied. In this course, we look at what it takes to build a customer-centric organization.

### Course Objectives of Customer Management Awareness, Acquisition & Retention

- Develop a holistic customer care approach by taking into consideration seven different aspects of the definition of customer service
- Create objectives and programs to maximize internal customer satisfaction
- Evaluate the design, implementation, and analysis of customer satisfaction surveys
- Use customer complaints as the springboard for service improvement
- Write Service Level Agreements SLAs to ensure clarity and conformance
- Assess the service aspect of the organization or department through well-chosen Key Performance Indicators KPIs
