Strategic Marketing for Non-Marketing Professionals

Code: CC28 From: 10 - 14 February 2025 City: Casablanca (Morocco) Fees: 3700 Pound

Introduction

All managers need to know about the various aspects of marketing and how they impact business life. They will need to know how market segmentation is done. They will need to be familiar with the product diffusion curve. They will need to understand Porter's five competitive forces model. They will need to be totally familiar with the marketing mix and how pricing strategies are used to enhance the profitability of the business. They will need to be conversant with the AIDA, DAGMAR, and Growth Share Models. They will need to understand product market strategies and how the product life cycle operates.

Important note: all Bookboon courses are, simply, straight to the point. It means that they far away from any theory & padding. The material is written by practitioners rather than researchers or scientists.
