## Effective Audit Committee

Code: QM28 From: 29 September - 3 October 2025 City: Düsseldorf (Germany) Fees: 4200 Pound

### Introduction

In today's rapidly evolving corporate environment, audit committees play a pivotal role in maintaining governance standards and ensuring the transparency of financial reporting. A well-structured audit and risk committee contributes significantly to a company's strategic decision-making and risk management.

This course provides a comprehensive understanding of the roles and responsibilities of audit committees, with a special focus on enhancing audit committee effectiveness. It covers the best practices for committee charters, the significance of independent audit committees, and strategies for conducting effective internal audits. Participants will also gain insights into the advantages of having an audit committee and the necessary qualifications for its members.

### Course Objectives

By the end of this course, participants will be able to:

- Define the purpose of an audit committee and its importance in corporate governance.
- Understand what the role of an audit committee is, including its responsibilities toward the board and key stakeholders.
- Analyze the advantages and disadvantages of audit committees in different organizational structures.
- Gain knowledge of independence rules for audit committees and their significance.
- Master the best practices for audit committee charters, including those for non-profit organizations.
- Explore the primary duties of audit committees, such as financial oversight and risk management.
- Evaluate the effectiveness of an audit committee through annual reviews and self-assessments.
- Understand the financial expert rule for audit committees and the qualifications required for its members.
- Learn strategies for conducting effective internal audits and their role in organizational integrity.
- Enhance the performance of audit and risk committees by understanding their impact on emerging issues like cybersecurity and complex financial transactions.
