Office Management & Effective Administration Skills Comprehensive Course

Code: SA28 From: 16 - 27 February 2025 City: London (UK) Fees: 7400 Pound

Introduction

Managing an office has become an increasingly sophisticated and complex job. The increased demand for speed and accuracy, knowledge of new technology, and an increasingly diverse workforce bring challenges and also opportunities for growth. This dynamic and in-depth course explores some of the more advanced skills which can help an office manager to work more confidently, creatively, and effectively.

Office Management & Effective Administration Skills training course will help you to develop and refine the skills needed to excel as an Office Manager, Administrator or Executive Secretary. It will explore in depth the interpersonal and behavioral skills necessary to ensure you are well prepared for the challenges of working with a variety of management styles. On this Office Administration training course, you will also learn how to stay in control whilst dealing with conflicting priorities. Becoming more effective as an Office manager will definitely make your job easier and make you more valuable in the eyes of your managers and the company stakeholders. Office Managers need to be expert multi-taskers - even if you're doing more than four things at once, that's probably still not enough! You need to be indispensable - to know exactly who to call to fix that pesky problem your boss has. And to be truly indispensable you need to be organized, be an excellent communicator, and be able to deal with whatever challenging situation your working life presents you with. This Advanced Office Management & Effective Administration Skills training course will help you to do that.

Course Objectives

- Extend their understanding of their roles and the key contribution they make to organizational success.
- Review their working relationships.
- Review and develop their personal organization, communication, and interpersonal skills.
- Develop an action plan to help themselves, their boss, and other colleagues work in more effective and efficient ways.
- Recognize how to prioritize and cope with multiple tasks.
- Develop the skills necessary to plan, make effective decisions solve problems, and handle pressure.
- Apply practical techniques to improve communication skills.
- Understand how to manage challenging behaviors.
- Apply assertiveness to be more effective in the workplace.
