## Strategic Brand Management

Code: CC28 From: 2 - 6 June 2025 City: Amsterdam (Netherlands) Fees: 4200 Pound

### Introduction

Branding is the process by which companies distinguish their product offerings from the competition. A brand is created by developing a distinctive name, package, and design, and by arousing customer expectations about the offering. This course tackles all the competencies needed to build a strong organizational brand and evaluate its performance and perceptions in the marketplace. It also details the role brand management plays in the strategic marketing process, the steps of the consumer adoption process, the different types of branding strategies, and the signs that can indicate a troubled branding strategy.

### Course Objectives of Effective Brand Management

- Define brands and understand the opportunities and challenges facing them in highly competitive business landscapes
- Plan and craft a powerful brand positioning statement that reflects the brand's promise and the expectations of its most valued customers
- Build a strategic brand and track its growth and sustainability using researched processes
- Explore the elements of brand equity and the constituents of brand identity to build consistent and sustainable brands
- Identify various brand strategies to come up with sound actions aligned with the status of existing and new markets and products
- Master the process for conducting a full brand audit to evaluate brand performance and take remedial actions
