Essentials of Human Resources Management & Development

Code: HR28 From: 29 December 2025 - 2 January 2026 City: Rome (Italy) Fees: 4200 Pound

Introduction

In today's fast-paced business environment, HR professionals are required to possess a broad range of skills to help their organizations achieve strategic goals. Beyond traditional administrative duties, HR professionals must now develop technical, behavioral, and emotional competencies to effectively contribute to business success. This course on Human Resource Management will empower you to transform both yourself and your HR department into trusted business partners capable of delivering results and driving organizational value. Whether you're looking to advance in strategic human resource management, enhance employee training and development, or refine your understanding of human resource management strategy, this course will equip you with the knowledge and tools to lead your HR function effectively.

Course Objectives

By the end of this course, participants will be able to:

- Demonstrate a thorough understanding of the nature of HR as a managerial function and how it aligns with overall business strategies.
- List all the HR functions and responsibilities, understanding their contribution to organizational success.
- Play the four new roles that make HR a credible business partner in a modern organization.
- Create an HR strategy that is aligned with the overall organizational strategy and supports business growth.
- Measure the contribution of HR to the bottom line, in both profit and non-profit organizations.
- Assess the effectiveness of the human resources function using SMART Key Performance Indicators KPIs.
- Demonstrate how a competency framework can enhance HR performance.
- List and define the core competencies of an HR professional.

Course Outlines

Day 1: Human Management: An Overview

- Definition and objectives of modern HR management.
- Evolution of HR management: from traditional to strategic human resource management.
- Main functions of HR management, including organization, resourcing, and more.
- Developing a positive organizational culture.
- Key areas of training and development in human resource management.
- Effective performance management strategies.
- Total compensation management systems.

Day 2: Competency-Based HR Management

- Competency definition and its importance in HR practices.
