From National Civil Aviation Authorities, ICAO, Joint Aviation Authorities to EASA

- The need for a comprehensive regulatory environment
- The Chicago Convention and ICAO: structure, rulemaking procedures and annexes to the Convention
- ECAC and the origin of JAA
- The transition from JAA to EASA: rulemaking, implementation, the authority of EASA
- The remaining authority of the National Civil Aviation Authorities v. the authority of EASA.

Day 2

European Regulations:

- The rulemaking procedures in the EU: The European Institutions Parliament - European Commission.
- The importance of European Regulations - relation with national rules, relation with ICAO AMC's.
- The most important regulations and domains of the authority of the EC:

- The regulatory packages
- Regulations on operations, maintenance, handling, and airport slots
- Regulations on Consumer protection

Day 3

The airline structure:

- The operational structure of an EASA compliant airline.
- The importance of the airline quality and safety management system.
- The structure of airline maintenance. Relevant responsibilities.
- Responsibilities of the airline postholders.
- Responsibilities of airline personnel. flying - nonflying
- Who needs a license? Who grants the licence? The validity of the licence? Flying, operational, maintenance.

The Airline Licence and A.O.C.

- Difference between the Licence and A.O.C. under the EC Regulations.
- Licence and AOC under ICAO.
- EC Regulation 1008/2008 on licensing of air carriers: history, licensing conditions, licensing conditions as a safety item.

Day 4

The European Open Sky.

- Traffic rights under European Community law:
 - From bilateral to horizontal agreements
 - The relation between Europe and the USA
 - The ECAA and Euromed
- The safety protection of the European Airspace: SAFA inspections, the control of non-European airlines by the National Authorities, the European blacklist, the procedure before the European Air Safety Committee.
- Airport slots and traffic rights: definition of a co-ordinated airport, the authority of the slot coordinator.

Aircraft leasing:

- dry lease agreements: characteristics, delivery, and return conditions.
- Wet leases or A.C.M.I. agreements: conditions under the EU Regulations, the control by the National Civil Aviation Authorities.
- ACMI Contract structure: the role of aircraft brokers.

Day 5

Consumer protection:

- EC Regulation 261/2004 on compensation in case of denied boarding, cancellations, and major delays.
- EC Regulation 1107/2006 concerning the rights of disabled persons with reduced mobility.
- EC Directive 2005/29/EC on consumer information and ticket pricing.
- Applicability of EU rules on non-EU carriers.
