Public Sector Monitoring & Evaluation

Code: NC28 From: 7 - 11 July 2025 City: Kuala Lumpur (Malaysia) Fees: 4400 Pound

Introduction

This course provides an overview and analysis of monitoring and evaluation theory and practice, with a particular focus on the role monitoring and evaluation play in public management and public policy and how monitoring and evaluation can lead to better decision-making in the public sector. The course uses international, as well as local, examples and case studies and will involve discussions with policy managers, policy advisors and evaluators with experience of monitoring and evaluation in Various Governments.

Course Learning Objectives - Monitoring and Evaluation in the Public Sector

- Understand the role that monitoring and evaluation plays in public management and public policy.
- Understand the different purposes and types of monitoring and evaluation, their strengths and weaknesses, and how they answer key public management and policy questions.
- Increase their understanding and use of monitoring and evaluation information, in particular around monitoring and evaluation design and the key methodologies and methods used in monitoring and evaluation.
- Improve project management and commissioning of monitoring and evaluation.
