Comprehensive Workshop on How to Realize Vision

Code: NC28 From: 31 March - 4 April 2025 City: Kuala Lumpur (Malaysia) Fees: 4900 Pound

Introduction

There has been a lot of talk about the Sultanate's vision for the year 2040, the topic is old and new, and many difficult questions about many points. People often differ in understanding the vision in a comprehensive or detailed way, and therefore their role in the vision is modest.

The more we know and go deeper into this issue, the more effective we will be in building the country and investing its full resources towards a brighter future than before.

Course Objectives

- How do we translate goals into a strategic action plan?
- What are the vision realization programs?
- How do vision programs work?
- How do you analyze vision programs? Ways and methods to follow the programs and objectives of the vision?
- Preparing periodic reports for the programs and objectives of the vision.
- Ways to overcome challenges facing the implementation of goals and programs.
- The experiences of countries in achieving their vision.

Course outlines
