Monitoring & Evaluation for Contracts Implementation and Project Closure

Code: PM28 From: 2 - 6 June 2025 City: Cape Town (South Africa) Fees: 3700 Pound

Introduction

Project monitoring and evaluation M&E is the very cornerstone of reporting requirements under many projects being implemented across the globe. Consistent and quality reports require that M&E systems are strengthened to sufficient levels that allow for a thorough analysis of findings, cross learning, and measuring the impact of project interventions.

Course Objectives of Monitoring & Evaluation for contracts implementation

- Develop an understanding of the characteristics of an effective M&E system
- Explore how to design and manage an effective M&E system
- Identify national and firm projects and programmes to be implemented
- Understand the importance of, and ensure the use of effective participatory methods
- Design and implement a new or improved monitoring and evaluation system for Development projects
- Develop evaluation questions that address stakeholders needs
- Identify key success areas and performance indicators
