## Customer Experience

Code: CC28 From: 24 - 28 March 2025 City: Munich (Germany) Fees: 4700 Pound

### Introduction

The voice of the organization to the public, customer service representatives and public relations staff face an arduous task-from dealing with difficult customers, customers with peculiar interests, customers seeking information unrelated to the services the office offers, abusive customers, customers who use threats, overwork among others and organizations need to adopt a practice of continuous improvement of systems, processes and skills of this caliber of staff to ensure that all customers and stakeholders have the right public relations and customer care skills set.

The Customer Service and Public Relations Masterclass Training course will equip participants with specific tools, skills and techniques that are specific and proven to be effective in generating corporate or institutional success, tools which, when applied, yield improved individual performance, skills to generate real and high-value leads, skills to navigate public relations and customer care dynamics to maximize opportunities for organization's products and services.

### Course Objectives of Customer Experience

- Develop a strategy to build a more proactive, customer-centric public sector organization
- Create and shape the public sectors' brand promise
- Define customer service - identifying your customers' values
- Understand how to measure and monitor the customer service experience to support improvements in line with public sector strategy
- Understand the barriers to delivering superior customer service at all public service customer 'touchpoints'
- Effective responses to complaints in the public sector
- Understand how to measure customer service culture
- Develop internal processes that support the public sector service commitment to the customer using diagnostic tools

### Customer Experience Course Outlines
