Maritime Professional Training

Code: OC28 From: 1 - 5 December 2024 City: Istanbul (Turkey) Fees: 4600 Pound

Introduction

In this workshop If the business really wants to keep the competitive advantage, a significant portion of the knowledge, experience, and new ideas are required to support this requirement. As a result, the anticipated expansion would necessitate a highly trained and multi-skilled staff from various marine and maritime professional backgrounds.

Workshop objectives

- Detailed knowledge about fundamental relations between economy, trade, and maritime transport.
- A thorough analysis of challenges and trends in the maritime market.
- Identification of the fundamental principles of maritime law within the broader context of the law and legal systems.
- A clear understanding of the evaluation process of the ship finance sector in terms of markets, participants, sources of ship finance, latest trends, and future challenges.
- A critical evaluation of the advantages/disadvantages of dissimilar theoretical methods of management and leadership.
