Supply Chain Leader Development Program

Code: SC28 From: 17 - 21 November 2025 City: Casablanca (Morocco) Fees: 3300 Pound

Introduction

This Supply Chain and Leadership Development program aims to raise the awareness of the Supply Chain and to encourage effective, collaborative methods of leadership and management. This training course helps delegates to work in their organizations and leverage the potential of team members. Delegates will be exposed to focus on developing Supply Chain skills, making the Supply Chain work for them in their organizations as well as understanding procurement and the effect of inventory on costs.

This training course introduces delegates to the variety of skills needed to be successful and also offers a comprehensive overview of good management practice offering a compendium of ideas which will impact your practice immediately.

Course Objectives

- Understand the principles of a Supply Chain.
- Learn about Supply Chain trends and the need for innovation.
- Appreciate the Supply Chain challenges that exist in organizations.
- Develop strategies for becoming lean and green.
- Appreciate the importance of procurement and inventory.
- Leadership styles and transformation.
- How to build strong collaborative teamwork.
- Develop strategies for using personal leadership power and building strong, mutual influence relationships within the organization.
- Using the performance management process profitably.
- The 4D Management model: direct, delegate, develop and deliver.
