## Result Based and Adaptive Management

Code: LM28 From: 29 December 2024 - 2 January 2025 City: Istanbul (Turkey) Fees: 3900 Pound

### Introduction

Globalization transformed markets, intense competition and new technologies have converged to make organisational management focus more sharply on making certain that every internal program and project achieves all intended results. Stakeholders are demanding that the internal and external forces of change are managed with the type of programs that will enable the organisation to thrive in the face of change. Holding departments accountable for results is the essence of this unique seminar that presents the principles and practices on which Results-Based Management RBM is founded.
