Public Relations & Corporate Communication

Code: PR28 From: 23 March - 3 April 2025 City: Dubai (UAE) Fees: 7000 Pound

Introduction

Nowadays, public relations professionals are employed in a wide variety of settings in business, government, and nonprofit organizations. The goal of this course is to develop the creative skills to manage strategies of communication and public relations. This course will help you firmly establish the place of public relations in the company, the Public Relations and Corporate Communications. This course looks at the contribution that can be measured. Participants will put together the entire training course content into an action plan that can be discussed with senior management.

Training Objectives of Public Relations and Corporate Communication

- Understand and analyze public relations and other forms of business communication
- Design and manage the image, publicity, and every other aspect of business communication
- Design and employ public relations and media programs and/or campaigns
- Be familiar with the global trends and the international standards that govern the industries of both public relations and media
- Manage the image, publicity, and every other aspect of business communication
