## Advanced Strategic Planning Program According to Saudi Vision 2030

Code: LM28 From: 24 - 28 February 2025 City: Prague (Czech) Fees: 4400 Pound

### introduction

The Kingdom of Saudi Arabia has laid out its ambitious vision entitled Vision 2030 to bring about major changes in all aspects of Saudi life and economy.

This distinguished training program aims to help managers, officials, and decision-makers in Saudi companies and institutions gain a deep understanding of the Saudi Vision 2030, its implications for the Saudi market, and how companies can design their strategic plan that is in line with this vision. Participants are qualified to formulate the strategic plan for the company or institution. According to this vision and the mechanism of putting this plan into practice.

### Course Objectives

This vision is based on a number of goals, the most important of which is diversification of income sources and the elimination of unilateral oil income on which the Saudi economy relied for long periods. This means making major changes in the Saudi market. These changes require companies operating in the Saudi market to keep pace with these changes and draw up their strategic plan that achieves great benefit from these changes as well as protects them from any negative effects that may be reflected on them.

This program was designed to help decision-makers in Saudi companies and institutions understand Vision 2030 and its implications for the Saudi market, and how companies can design their strategic plan that is in line with this vision.
