The Certified Executive PA Masterclass

Code: SA28 From: 22 - 26 September 2025 City: Amsterdam (Netherlands) Fees: 4200 Pound

Introduction

Executive assistants nowadays hold a very important position of influence and need to build a powerful partnership with the senior management team. This course will enable you to have the right competencies in order to work in partnership with your manager. After all, your success will have a direct effect on your manager's success. This course seeks to supplement your current set of capabilities by adding other highly needed competencies that will lead to excellence in your position.

During this course, you will discover ways to enhance your confidence and forward-thinking ability, allowing you to become a true business partner with the executive team. You will learn and practice powerful emotional intelligence strategies which you can immediately apply at the workplace. Moreover, you will participate in detailed discussions on the importance of building systems and having a systematic thinking approach, leading you to create several systems at the workplace. The next segment of this course discusses how to professionally deal with visitors, internal customers and external customers and how to make your department and company more customer friendly. Finally, you will learn how to develop action plans that will enhance your professional image and the image of your department and company.

Course Objectives

- Provide full support to stakeholders in order to enhance the success of the business.
- Apply emotional intelligence to foster excellent business relationships both laterally and vertically.
- Harness modern communication concepts and strategies to facilitate workflow.
- Use the main functions of management to build and maintain different organizing systems that will lead to increased productivity.
- Demonstrate professional skills in using creativity, serving internal customers, and managing stress.

Course Outlines

Day 1: Progressive role of the executive or personal assistant

- Understanding the strategic role of today's executive assistant.
- Working 'with' versus working 'for' your leader.
- The challenges impacting the 21st century administrators.
- The competencies of the modern personal assistant.
- Self-empowerment: creating your own mission statement.
- Developing forward thinking: being a proactive thinker.
- Using technology to get things done.

Day 2: Emotional intelligence EI tact and skills for handling people

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a pawn) on it. The board is white and black, and the pieces are gold and silver. The text 'UK Training PARTNER' is overlaid on the board.

UK Training
