Code: HR28 From: 25 - 29 January 2026 City: Cairo (Egypt) Fees: 3300 Pound

Introduction

This course answers a simple yet critical question: "What is the best way to help organize and assist a group of professionals focus on achieving a collective objective?" The aim of this course is to enable participants to maximize the efficiency and effectiveness of their organizational structure in alignment with strategic objectives, environmental complexity, and workforce availability and readiness to perform.

Organizational design is perceived as a collective responsibility, where Human Resources HR professionals facilitate and guide the process. With this in mind, the course will provide a comprehensive toolkit to enable HR staff to facilitate and guide the organizational design process systematically. The toolkit includes resources such as brainstorming charts used during the analysis stage, design templates, and facilitation guides, including agendas for working sessions. In other words, this course addresses the functional needs of participants and ensures their capability to implement the concepts learned.
