# Functional of Certified Organizational Design and Manpower Planning Professional

Code: HR28 From: 6 - 10 January 2025 City: Kigali (Rwanda) Fees: 3300 Pound

## Introduction

The course answers one simple question; "What is the best way to help organize and assist a group of professionals focus on achieving a collective objective?" hence the course aims at enabling its participants to maximize the efficiency and effectiveness of their organizational structure in compliance with strategic objectives, environmental complexity, and workforce availability and readiness to perform.

Moreover, organizational design is perceived and should be a collective responsibility whereby Human Resources professionals would facilitate and guide the process. Taking this into consideration, the course will provide a toolkit that would enable HR staff to facilitate and guide the process in a systematic manner. The tool kit includes all needed resources; from reflection/brainstorming charts that are used at the analysis stage to design templates and ending up with working sessions agendas and facilitation guide. In other words, the course considers and favors the functional needs of its participants and considers their ability to implement.

## Course Objectives

- Differentiate between common organizational structure archetypes and realize the impact of each on individual and organizational performance.
- Analyze organizational design elements to include but not limited to strategic goals, scope of operation, governance, competence, and span of control.
- Co-design or redesign organizational structure using a comprehensive toolkit.
- Improve organizational readiness level to change through the identification enablers such incentive schemes or operating mechanism.
- Apply workforce planning methods to define workforce gaps on departmental and organizational levels.
- Learn about and acquire HR skills needed for an organizational design professional such as job evaluation and job description writing.

## Course Outlines
