Enhancing Planning & Training Management

Code: HR28 From: 20 - 24 January 2025 City: Paris (France) Fees: 4400 Pound

Introduction

Training Planning is now a critical factor in the longer-term ability of International businesses to compete globally. It is now seen as a key business requirement, organizations must have a clear strategy, to support the training Planning process, we will discuss a number of real-life strategies and approaches. Just like verses of poetry, to make training planning more successful, you should team it up with training. The stronger the link the better the effect.

Course Objectives of Enhancing Planning & Training Management

- Consider a number of strategic models for training planning
- Master and be able to use methods to explore predictive trends.
- Managing/controlling documents, including folders and forms, reduce document distribution costs.
- Develop business techniques in order to manage the training planning process
- Plan and implement action plans for self and individuals/managers involved in the training Planning process
- Relate all the above mentioned to managing the training function in an organization
