Hospital Management and Administration (MHA)

Code: HM28 From: 10 - 14 February 2025 City: London (UK) Fees: 5200 Pound

Introduction

This training course helps participants to advance their career in medical administration. They'll gain a firm grasp of medical and scientific terms used day-to-day in hospitals, GP surgeries and other medical settings. In this course, participants will gain the skills to communicate effectively and manage staff, processes and healthcare resources at all levels.

Course Objectives of Hospital Management and Administration MHA

- Understanding roles and responsibilities to be followed by management and administration
- Being familiar with skills and knowledge needed for general administration staff
- Appropriate training for leaders, supervisors and managers in the hospital departments
- Discussing current health care delivery system as it relates to the economics, accessibility and overall health of the population
