Leadership in Learning & Development for Human Resources

Code: HR28 **From:** 22 December 2025 - 8 January 2026 **City:** Casablanca (Morocco) **Fees:** 8200 **Pound**

Introduction

The world lacks effective business leaders, and this course is designed to bridge the gap between mediocre performance and sustained high achievement. Focused on accelerating leadership development, it equips participants with coaching techniques to become better leaders. Whether your leadership style is situational, transformational, strategic, or inspirational, this course will guide you to refine your skills and achieve your leadership goals.

The training also emphasizes HR development, offering a clear understanding of what HR development is, its strategies, methods, and processes. This course provides tools to connect training planning with leadership learning goals, creating sustainable and innovative outcomes.

Course Objectives

- Develop a comprehensive understanding of leadership in HR management and HR development goals.
- Gain practical skills in HR development activities and methods to enhance performance.
- Explore leadership in learning organizations to inspire and lead effectively.
- Understand and apply the HR development process for long-term organizational success.
- Learn strategic approaches to align training planning with leadership learning initiatives.
- Utilize predictive tools to analyze trends and forecast training needs.
- Integrate training strategies with HR development definitions to maximize organizational impact.

Course Outlines

Day 1: Core Leadership Skills through Coaching

- Smarter thinking and faster results.
- Practical demonstrations of leadership techniques.
- Leveraging leadership in HR management for organizational growth.

Day 2: Communication - Influence and Persuasion

- Strategies for effective communication.
- Setting and achieving WIN/WIN goals.
- Aligning communication with HR development strategies.

Day 3: Self-Perception and Leadership Awareness

- Acts of leadership and self-awareness.
- Understanding social conditioning and behavioral patterns.

A graphic of a chessboard with several pawns. In the foreground, a large gold king piece stands prominently. Behind it, several silver and gold pawns are positioned on different squares. The background features concentric circles, suggesting a ripple effect or a strategic focus.
