# Oil & Gas Contract Management

Code: OG28 From: 20 - 24 April 2025 City: Istanbul (Turkey) Fees: 4400 Pound

## Introduction

The continued accelerated pace of change in the oil industry and high levels of investment combine to make it one of the world's most challenging and complex sectors in which to understand and manage contracts. Good scrutiny and overall analysis of oil & gas contracts to remove ambiguities and risky clauses can make a vital difference to the bottom-line success or failure of an organisation. This Oil & Gas Contract Management training course will provide the participants with a solid foundation for understanding.

## Course Objectives

- Acquire management and negotiation techniques
- Identify, assess, and manage key contractual risks
- Manage force majeure and liability clauses
- Analyse key provisions in international oil and gas contracts
- Describe best practices in supply chain management
- Learn international dispute resolution in the oil and gas business
- Perform negotiations more confidently
