Insurance of Property & Buildings Against Theft and Fire

Code: HS28 From: 12 - 16 May 2025 City: London (UK) Fees: 5100 Pound

Introduction

Property insurance is recommended for all establishments regardless of their size. The insured protects his property such as industrial units, offices, residences, utilities and warehouses against accidents, natural disasters, fires or theft. The viewer of insurance must pay attention to the difference between dealing with insurance as an idea and theory and regulating it in a contract.

Course objectives

- Familiarize the participant with all the scientific and practical aspects of the various branches of property insurance.
- Familiarize the participant with aspects of property insurance against all risks, such as theft and fire
- Familiarity with all aspects of building insurance
- Introducing the participant to the practical problems facing property insurance and how to address them.
