Agility in human resource management

Code: DG28 From: 1 - 5 June 2026 City: Barcelona (Spain) Fees: 4400 Pound

Introduction

In a rapidly changing world, organizations must embrace agility to thrive rather than just survive. Organizational agility enables businesses to adapt, innovate, and excel in the face of volatility and uncertainty. This masterclass focuses on equipping professionals with the tools and mindset necessary for fostering agility within their teams and organizations. It integrates concepts like agile human resource management, agile methodology in HR, and agile workforce management to align people strategies with business agility goals.

Participants will explore how to leverage strategic human resource management and dynamic HR solutions to drive transformation. This course is ideal for HR professionals, managers, and leaders aiming to understand agile HR principles and implement effective strategies for organizational success.

Course Objectives

By the end of this training, participants will be able to:

- Grasp the agile mindset and its principles, including pragmatism, adaptability, and human-centered approaches.
- Apply agile HR analytics and lean practices to optimize value creation.
- Understand the role of HR in agile transformation and how to foster an agile workforce.
- Implement techniques to enhance organizational resilience, creativity, and collaboration.
- Develop a personal agility plan to ensure effective implementation in their workplaces.

Course Outlines
