Change Management for Leaders & Managers: Strategies for Successful Transformation Course

Code: LM28 From: 5 - 16 January 2026 City: Paris (France) Fees: 7400 Pound

Introduction

Change is inevitable in today's fast-paced business world, and mastering the change management process is critical for achieving successful transformation in organizations. This change management certification course is designed for leaders, managers, and professionals who seek to enhance their ability to lead and sustain successful workplace transformations. Over ten dynamic days, participants will explore proven change management techniques, understand the benefits of change management, and gain the skills to overcome challenges associated with implementing and sustaining change.

By combining change management best practices, hands-on exercises, and expert insights, this course ensures participants are equipped to deliver effective change management that aligns with organizational goals and drives innovation.

Course Objectives

- Introduce participants to the core principles and benefits of change management.
- Provide a detailed understanding of change management models and change management methods, including their applications.
- Equip participants with the tools to plan, lead, and execute successful digital transformations and workplace transformations.
- Address change management difficulties by teaching strategies to overcome resistance and achieve buy-in from stakeholders.
- Foster leadership skills essential for embedding effective change management practices into organizational culture.
- Highlight the roles in change management, enabling participants to lead and support change initiatives effectively.

Course Outlines

Day 1: Introduction to Change Management

- Understanding the nature and dynamics of change in organizations.
- Exploring the change management benefits for long-term success.
- Defining the roles in change management and their impact on successful transformation.

Day 2: Change Management Models and Frameworks

- Overview of prominent frameworks like Kotter's 8-Step Model and ADKAR.
- Comparing the strengths and limitations of different change management methods.
- Choosing suitable frameworks for specific organizational needs.

Day 3: Assessing Change Readiness and Impact

- Conducting readiness assessments to gauge organizational preparedness.
- Identifying potential sources of resistance and their implications on the change management cycle.
- Evaluating the impact of change on stakeholders.

Day 4: Crafting Change Strategies

- Defining objectives aligned with successful transformation meaning and organizational goals.
- Developing a compelling communication strategy for effective change management.
- Crafting a clear vision of the desired future state.

Day 5: Leading Change Communication

- Techniques for communicating effectively during the change management cycle.
- Ensuring transparency to build trust and engagement.
- Addressing misconceptions and aligning teams through focused communication.

Day 6: Managing Resistance and Building Support

- Understanding why resistance occurs and strategies to mitigate it.
- Engaging stakeholders and empowering change management analysts.
- Building a network of change champions to drive success.

Day 7: Implementing and Monitoring Change

- Step-by-step guide to implementing change management initiatives.
- Monitoring progress and evaluating the effectiveness of strategies.
- Adapting plans based on feedback and changing conditions.

Day 8: Organizational Culture and Change

- Analyzing the role of culture in successful workplace transformation.
- Encouraging a mindset that embraces innovation and adaptation.
- Embedding change-readiness into organizational norms.

Day 9: Sustaining Change and Overcoming Challenges

- Strategies to ensure sustainability of change efforts.
- Managing setbacks and learning from failures to improve future initiatives.
- Emphasizing continuous improvement for long-term success.

Day 10: Leading Change as a Continuous Process

- Integrating change management techniques into strategic planning.
- Developing leadership skills for ongoing change initiatives.
- Fostering a culture of agility and continuous improvement.
